Miniskirts on ice

DRAKE (above), who unveiled a giant tattoo of **Lil Wayne** this week, hung out with his mentor in Miami Beach. We're told Drake rented out the bowling alley and ice rink in the Edition hotel and showed up with a group at 3 a.m. "The bandage dresses, fishnet bodysuits and miniskirts on the ice were a sight to be seen," says a spy of the party. Sources say Wayne — who signed Drake in 2009 — arrived at 4:30 a.m. Wayne did not bowl, we hear, but "when he does, he brings his own custom bowling balls," a spy said.
